Dear Jane,

I'm sorry I didn't get to see you at the end of the evening to thank you for your fabulous food. I don't know where to start, everything was just perfect! Thank you for all your wonderful ideas and attention to detail.

The vintage china, the champagne saucers, the drams of whiskey and baileys, the second helpings and the sugar sticks have been talked about non-stop. Absolutely everyone has been raving about your food and has said that it was the best

wedding meal they have ever had! You, David and the staff were so calm and attentive and made everyone feel so relaxed and comfortable.

Dan & I had an absolute ball and thank you so much for helping to make our fabulous day extra wonderful.

I'll be giving anyone who needs a caterer your number - purely for selfish reasons though - as I look forward to sampling your delicious food again!

Very best wishes,

Claire (Turner) Boyle
